Dear Student

My name is Gemma. I'm 32 and I live in Merryweather with my husband, John, our daughter Becky who is five and Bill our three year old son.

We have a beautiful cat called Marlon. John is a nurse and works at the hospital and the children go to the primary school near the College.

In my free time, I like swimming, reading and playing the guitar. I also love cooking and I hope you can come to lunch one day.

I look forward to seeing you next term.

Best wishes
