This examination paper contains two questions. Answer both questions.

Task one

Your college is having a competition to find the most interesting story about a day of celebration (e.g. national or local festival, marriage, birth or personal success).

Write about a day of celebration you took part in, what happened and why you were celebrating.

Plan your article by making notes of the most important points and then draft at least one paragraph of your article. Then write the final article, making sure that you proofread it.

Task two

You have recently moved into a new flat or house. Write a letter to a friend. Invite him or her to your 'flat-warming' or 'house-warming' party and give details of the day and the time. Give your friend your new address and telephone number and suggest the best way to get to your new home. Ask them to let you know whether they can come or not.
