Entry 3 – Writing

Time allowed: 60 minutes

This examination paper contains two questions. Answer both questions.

Task one

You are going to have a job interview next week. The interviewer has asked you to write a short account of a day in the past when you felt proud of yourself. It could be because you passed an important examination, got a better job or achieved something special.

Plan your account by making notes of the most important points and then draft at least one paragraph of your account. Then write the final account, making sure that you proofread it.

(About 200 words. This includes the plan, draft and final account.)
